## I. Prayer

The meeting started with a prayer led by Board Treasurer Marissa Loyola.

### II. Determination of quorum

Board Secretary Jerlene Perez confirmed the presence of the board members who attended the meeting. With all of the nine (9) trustees were present, the meeting continued.

## III. Approval of the proposed agenda

Board President Isabel Iliw-iliw presented the meeting's proposed agenda items and asked the board member if they would want to add anything. As there were no suggestions from the other Board members and those present, the meeting proceeded.

 Board member Anita Manundo formally moved for the approval of the proposed agenda for the Board meeting. Board member Elizabeth Fuentes seconded the motion. The Board approved the proposed agenda.

## IV. Approval of previous minutes of the meeting (August 26, 2016)

Board President Isabel then ask the other board member for any questions and clarifications.

#### Clarifications and discussion

Board Adviser Maria Anna De Rosas-Ignacio raised a clarification on what was written on page 11 of the minutes regarding the body's previous discussions on the emeritus status for Board of Adviser (BoA) members. According to her, she did not recommend to limit the number of BoA members with emeritus status to two (2). Based on the agreed criteria then for the granting of such a status, only two of the original incorporators of the association would qualify. Apart from this point, there were no further clarifications or questions regarding the circulated minutes of the previous Board meeting.

 Board Treasurer Marissa formally moved for the approval of the said minutes. Board member Ailene Ramos seconded the motion. The whole Board approved the minutes.

#### V. Business Arising

KMBA General Manager Silvida Antiquera then reported to the board on the status of pending issues from the previous Board meeting. These included the following:

| Ar | eas of concern  | Status/actions taken  |  |  |  |  |  |
|----|---|---|--|--|--|--|--|

## VI. Financial status report (August 2016)

Evelyn Lagmay, KMBA Finance Manager, reported on the association's financial status for August 2016. Total recorded assets for the period amounted to Php 155,663,819.90. This amount consisted of cash and cash equivalents, receivables, short-term financial assets, and non-current assets. The amount increased by Php 25 million, or by 20% compared to that of the same month during the previous year (August 2015). Liabilities amounted to Php 111,112,47.86. This represented an increase of Php 19 million or 21% compared to the figure for the same month of the previous year (2015).

FM Evelyn explained again to the Board members the meaning of account titles included in the association's financial reports. These included the "current assets" which was composed of cash and cash equivalents like time deposits, receivables,

and other short-term assets. "Noncurrent assets" are composed of long-term investments (more than a year), and property and equipment (like computers and office vehicle). Meanwhile, "liability on individual equity value" represented half (Php 7.50) of the Php 15.00 that KMBA members are paying for their insurance premium. "Aggregate reserve for trust liability" included the Php 5.00 members' savings plus any interest gained.

Fund balance for the period reached Php 44,551,672.04, or an 18% increase compared to the figure from the same month of the previous year. Total liabilities and fund balance was Php 155,663,819.90. Net surplus amounted to Php 711,931.73 for the month of August 2016. This was slightly lower compared to the figure from July 2016. Evelyn also noted that details of the association's cash and receivables were outlined in pages 16 to 19 of the current financial report to the Board of Trustees.

The financial report for the period also pointed to a slightly higher level of claims on the Basic Life Insurance Plan (BLIP) for August 2016 as compared to the figure from July 2016. BLIP claims for August amounted to Php 623,000.00 or 20.42% Meanwhile, claims for the Credit Life Insurance Plan (CLIP) amounted to Php 111,210.00 or 21.95%. This was also higher compared to the CLIP figure from July 2016. Operating expense reached Php 776,364.11 or 20.49% for August 2016. This was slightly higher compared to previous month of July 2016. Evelyn reiterated that while collection was high, claims were also high in August 2016.

Board Adviser Maria Anna suggested including in the financial statement explanations on the General Fund (GF), Mutual Benefit Fund (MBF), and Optional Fund (OF). The Board Adviser also recommended the conduct of a training for KMBA Board members on how to read the association's financial statements, which could also provide some tips on what things to ask or look for when going through or reviewing such documents.

#### Investment (September 2016)

Evelyn also reported on the association's investment status for the month of September 2016. The Finance Manager noted that the big amount of cash that recently went into the association's Chinabank savings account is allotted for the planned investment in Ayala Land Inc. on 7 October 2016, which has a seven (7) year holding period and a 2.8% interest rate per year. Other details on KMBA's investments are outlined below:

After the discussion on KMBA's financial report for the month, Board President Isabel Iliw-iliw ask for motion for approval of Financial Report and Investment.

 Board Treasurer Marissa Loyola formally moved for the board approval of the financial report and investment. Board member Ma. Teresa Bucad seconded the motion. The Board then approved KMBA's financial report for the month of September 2016 integrating the comments and suggestions outlined above.

## VII. Matters for discussion and approval

a. Confirmation of investments: RTB 10-5 and Ayala Land fixed rate bonds Evelyn Lagmay, KMBA Finance Manager, reported to the body that KMBA invested Php 5 million in government securities last 20 September 2016, with a 10-year term and a 2.8% interest rate. Meanwhile, Php 6 million was invested in Ayala Land fixed rate bonds, with a 7-year term and a 2.8% interest rate. Board member Ailene Ramos moved for the Board's confirmation of the management's recent investment decisions (as outlined). Board Treasurer Marissa then seconded the motion. The whole Board approved said motions with no objections.

#### b. Increase in KDCI's collection/management fee

General Manager Silvida outlined the proposed increase in KDCl's collection fee from 2 to 5 percent. Board Adviser Maria Anna De Rosas-Ignacio explained to the new Board members the rationale for the proposed increase. According to her, the collection or management fee is the amount currently being paid by KMBA to KDCl for the service rendered by KDCl's staff in collecting insurance premium for KMBA, as the latter has no collection staff of its own on the ground. The Board Adviser also added that the proposed increase could be used for additional benefits and projects for members like those under the K-Kalusugan or K-Kabataan programs. The same rate (5%) is applied in the case of associate members like Cebu Caritas.

Board Adviser Maria Anna then inquired about the possible impact of the proposal on KMBA's operational expenses, and raised the need to conduct a careful study as this might result in such operational expenses going beyond the limit set by the Insurance Commission for organizations like KMBA. She suggested that the MBA staff prepare initial projections on the effect of a 3-5% increase in the management fee to the association's operational expenses, and

for the Board to postpone further discussions and decision on the matter until the next Board meeting.

## c. Acquisition of Property

General Manager Silvida then reported on the search for possible houses/buildings and lots that KMBA may acquire for its new office. These included the following:

| Property<br>number | Address  | Lot area | Price                    | Remarks   |
|--------------------|--|----------|--------------------------|---|
| 1                  | No. 12 Mabait St. Teachers<br>Village, Quezon City                           | 410 sqm  | Php 15 m                 | Extrajudicial<br>settlement being<br>processed; capital<br>gains tax c/o buyer                                  |

Board Adviser Maria Anna suggested converting the prices to per square meter to facilitate comparison across the four properties. KMBA may also want to inquire about areas available in each property for further construction (e.g. additional building). There may also be a need to consult some technical people to further assess other details or identify other important considerations in deciding in case the association pushes through with planned acquisition of the new property.

## VIII. Updates

## a. Bank Trustee - Mutual Guaranty Fund

The General Manager reported that the Microinsurance MBA Association of the Philippines (MiMAP) has recently chosen Union Bank as the bank to lodge or deposit initial contributions for the Mutual Guaranty Fund. KMBA has an initial contribution of Php 81,000 which will be considered as part of admitted assets.

#### b. SICAT Plan

General Manager Silvida shared with the KMBA Board members results from the recent meeting of the RIMANSI Board on the Social Initiative Against Catastrophe (SICAT). The RIMANSI Board has decided to close the said program and transfer it to MiMAP. KMBA's initial Php 350,000 contribution will be returned after process of closing program with the Securities and Exchange Commission (SEC) is completed by next year. All claims and other matters related to SICAT shall then be managed by the concerned individual mutual benefit associations (MBAs).

#### c. Consultation with MiMAP

General Manager Silvida shared with the Board that RIMANSI will be undertaking a study on higher yielding investments. There is a need to inquire with the Insurance Commission (IC) on whether these could later be accepted as admitted assets in case KMBA decides to invest in options that will be identified by the study.

## IX. Key performance indicators

The General Manager then requested Finance Manager Evelyn Lagmay to report on the results of the assessment done by RIMANSI on all network members, including KMBA, for the period January to June 2016. As the table below indicates, KMBA got a perfect score of 100% or rank 1 for claims settlement. It got rank 4 or 42% for operating ratio of BLIP, and rank 9 or 63% for CLIP. The General Manager stressed that KMBA still fell within RIMANSI's standards. Meanwhile, KMBA ranked 3<sup>rd</sup> when it came to return on equity, and was ranked 1 (or 100%) for participation rate. The association however did not make it to the top five on indicators like solvency, operational expenses (OPEX), claims ratio, and growth rate. Evelyn explained that KMBA got 123% on solvency, while standard was 120%. KMBA's OPEX was also beyond the standard 20%. For claims ratio, KMBA was within the standard but ranked only 7<sup>th</sup>. Board Adviser Leticia Rodriguez inquired how this happened. Evelyn explained that other MBAs included in the top 5 might be new ones and still had smaller claims.
